

HARD BODY SPRAY TANNING

THE BEST TAN FOR YOUR TIME ON STAGE.

One Session: \$75.00

Tanner is provided for you and includes one session by appointment the day before the show and a touch up the day of the show.

Two Sessions: \$100.00

Tanner is provided for you and includes two sessions by appointment the day before the show (which will provide you with a much darker and richer onstage color) and a touch up the day of the show. Keep in mind the more coats applied, the darker the end result

Unlimited: \$150.00

Tanner is provided for you and includes sprays as need by appointment to achieve desired level of color the day before the show and touch ups the day of the show.

Own Supply: \$50

You supply your own tan and sprays will be completed by appointment. Will only accept Jan Tana & Pro Tan.

Hard Body Spray Tanning is here to give you the best competition color possible for your hard earned physique. As a current NPC competitor I understand firsthand the importance of having the best quality and balance of color for an amazing onstage appearance. Hard Body Spray Tanning gives you all of the above by providing you with individual attention and multiple coating sessions to improve the darkness of your color. Spray sessions are done by appointment and walk-ins are based on availability.
